Hello DC and Sam -

Great progress! A few more HOMEPAGE revisions, please.

(Note, we'll be sending you BIO and APPROACH changes over the weekend.)

HOMEPAGE:

- **Navigation Bar:** Remove the tagline "Capital That Responds" here: too small.

- On the call to action boxes change the copy to **Join Token Waitlist** (all instances)
  - **Take out dSDR** for now
- **United Nations Logo** should include their name (use attached)
  - Email in footer should be **info@tokenizationfoundation.com**
- **Make initial caps:**
  - **Line 1: A Reimagined Model:**
  - **Line 2: Programmable Humanitarian Infrastructure**

- THE SOLUTIONS

  A reimagined model programmable humanitarian infrastructure

  The Tokenization Foundation replaces fragmented aid systems with a programmable, real-time infrastructure.

  - Funds are tokenized and delivered directly to recipients' digital wallets
  - Blockchain enables instant, traceable, and secure transfers
  - AI provides real-time oversight, analytics, and adaptive governance

- For the Governing Council link: LINK it to the correct form.
  - **Currently links to AEGIS**
- For the form below **Join The Waitlist** (initial caps)

email.
